

IIT Mandi successfully organized its first Alumni meet on 26th - 27th May 2018. Alumni beginning with the first batch of 2009 – 13 to last outgoing batch of 2017 came back to the campus to relive their old memories. On 26th May the session was divided into two parts. First part was interaction between faculty and alumni while second part was interaction between current students and alumni.

In the morning session, Alumni were really happy to note the rapid development of their alma mater in these recent years. Director, Prof. T.A. Gonsalves gave a presentation followed by Highlights of IIT Mandi, presented by some faculties. There was also a session of sharing experiences and memories by alumni and faculties which everyone enjoyed.

The next day alumni went for campus tour, meet their juniors, visited nearby places and mandi.

The two days of 1st Alumni Meet @ IIT Mandi was a rejuvenating experience for the alumni and a memorable event for the institute to see its alumni back to hills!
