

# Science Academies Lecture Workshop on Essence of Partial Differential Equation

2<sup>nd</sup> -4<sup>th</sup> April , 2018

Funded by *Indian Academy of Sciences Bangalore, Indian National Science Academy New Delhi, the National Academy of Sciences India, Allahabad (Govt. of India)*

Science academies lecture workshop on “Essence of Partial Differential Equation” was successfully organized by School of Basic Sciences, IIT Mandi during 2<sup>nd</sup> to 4<sup>th</sup> April, 2018 at IIT Mandi, Kamand Campus. This program was partially supported by IIT Mandi. The aim of this workshop was to show the essence, beauty and importance of PDE in Mathematics and areas of application. Through the lectures, the resource persons, Prof. Phoolan Prasad (retired from IISc Bangalore), Prof. A. K. Nandakumaran (IISc), Prof. K. Sreenadh (IIT Delhi), Dr. Muslim Malik (IIT Mandi) show the teachers and students that the differential equation is more than a problem solving subject.

About 100 participants of IIT Mandi, Himachal Pradesh, Delhi, Haryana, Rajasthan, Gujarat, Tamilnadu, Uttar Pradesh, Uttarakhand and Jammu & Kashmir participated in this programme. Dr. Muslim Malik, Assistant Professor, IIT Mandi actively engaged in coordinating this programme.
