

Join the Bachelor of Science (BS) Program in Chemical Sciences

Starting August 2023
Admission via JEE Advanced

Engineering
Minors

4-Year BS
With Optional
1-Year MS

Chemistry
Specialization

Curricula:

Fundamental
Chemistry

Applied
Chemistry

Cutting-Edge
Research

Engineering &
Humanities

This 4-year BS in Chemical Sciences program offers a unique opportunity to opt for minors in engineering and humanities disciplines, such as Computer Science & Engineering, Communication Engineering, Management, German Language, etc. Students also get an option for specialization in various branches of Chemistry, such as Organic, Inorganic, Physical, and Materials Chemistry. The state-of-the-art curriculum of the program offers research experience at the BS and MS levels in cutting-edge research areas in Chemical Sciences.
